DR. VAN DEN BERGH'S Sovereign Worm Syrup.

THIS TRULY WONDERFUL MEDICINE warranted to expel all worms from the is and Stomach, except Tape and Chain Medicines of the day, which, and consider the fand, each claiming for itself the name of specific; and, while we frankly acknowledge that many of them are often successful, and do great good, were we not assured that this combines advantages possessed by no other worm medicines.

good, were we not assured that this combines advantages possessed by no other worm medicine, its introduction at this late day would not have been attempted.

The pleasant taste and exceedingly small quantity of this medicine required to test the existence of worms, or to remove every one from the system—its operating in a few hours, maided by any other purge, together with its certainty of effect, constitute it one of the most brilliant discoveries of the age.

Had we space here, scores of certificates might be adduced to show its progressive and rapidly increasing reputation for the last few years; but to promulgate its fame and establish its character, we only ask for a trial.

Its speedy operation in all sudden attacks, as convulsions, coile, fits or spasms, gives it an unrivaled superiority. Sent by express on receipt of price.

SYMPTOMS OF WORMS.

Alternate paling and flushing of the counties.

Alternate paling and flushing of the countenance, dull expression of the eyes, droweliness, itching of the nose, a swelled upper liptongue whitely furred and thickly speckled with red points, feted breath, an enlarged belly, a partial or general swelling or puffingess of the skin, a starting in the skeep and grinding of the teeth, a sensation as if something was lodged in the throat, a gradual wasting of the flesh, sickness of the stomach, vomiting, a short and dry cough, appetite sometimes voracious, at other times feeble, bowels sometimes coative, at other times loose, great fretfulness and irritability of temper, pains in the stomach and bowels, cole, fits, convuisions and palsy. Its value in removing masses of crudities from the stomach and bowels of children, even where no worms exist, cannot be too highly estimated.

Prepared and sold, wholesale and retail, by

es and towns.

Dr. Van Den Bergh can be consulted on all liseases that the human system is beir to. His long experience in diseases of women and children cannot be surpassed by any physician in the United States or Europe, Dr. V. advises ladies troubled with any irregularities of the Uterus to try his new remedies and get cured.

By consulting and undergoing a simple ex-amination the afflicted can learn if their dis-ease be worms or not. At all events, Dr. Van Den Bergh can tell them from what disease they are suffering.
